

—量子科學與工程研究中心—

Center for Quantum Science and Engineering (CQSE)

「2/20/2009 (Fri.) CQSE Special Seminar」

- **Time** : 3:40 PM - 4:40 PM
- **Place** : RM112, New Physics Building
- **Speaker:** Dr. Darrick Chang
Institute for Quantum Information
California Institute of Technology, USA
- **Title** : Crystallization of strongly interacting photons in a nonlinear optical fiber
