

Center for Quantum Science and Engineering (CQSE)

「Apr. 8, 2011 (Friday) Weekly Seminar」

- **Time** : 2:30 PM ~ 3:30 PM
- **Place** : Rm716, New Physics Building
- **Speaker:** Dr. Kimitoshi Kono
Low Temperature Physics
Laboratory, RIKEN, Japan
- **Title** : Single electron transport on a liquid He surface: from strongly correlated electron liquid to Wigner solid regime
