

Center for Quantum Science and Engineering (CQSE)

「12/2/2009 (Fri.) Special Seminar」

- **Time** : 2:30 PM ~ 3:30 PM
- **Place** : RM312, New Physics Building
- **Speaker:** Dr. Marcelo Ciappina
Senior Research Engineer
Institute of High Performance
Computing, Singapore
- **Title** : Monte Carlo event generators in
atomic collisions: a new tool to
tackle the few-body dynamics
